http://www.medievalacademy.org/?page=cara_scholarships

April

[GSC conference and summer research funding; see rolling]

---

**Eligibility guidelines for conference funding through the Graduate Student Council**

Attendance by a Department Representative twice per semester will qualify it students paying Graduate Student Council dues to apply for GSC Fall & Spring Conference Funding and Summer it is all in home over here from the angle of you a you as I walked I walked back from Research Grants.

These meeting are typically held in the Dudley House Graduate Student Lounge on Wednesday evenings at 6:30. If a Student Representative from his or her department attends at least two of these meetings that Department will qualify for conference funding in the next semester. (Funding eligibility is based on Representative attendance at the Open Meetings during the previous semester. Note: all representatives sign in in order to have their attendance counted.)
