

ARCHIVES CHARLIE À HARVARD

Archiving Today for Tomorrow: The Charlie Archive at Harvard Library Panel Discussion and Exhibit

Thursday, January 28th

4:00 – 5:30 pm

Forum Room, Lamont Library

A collaboration between Harvard librarians, scholars, and digital humanists, the Charlie Archive at Harvard Library is an evolving project that collects a broad range of materials including ephemera. Volunteers in France and elsewhere have donated photographs, blog posts, leaflets, posters, and more associated with the Paris attacks in January 2015.

Please join us for a panel discussion and exhibit about what the project means as a scholarly endeavor and library collection.
